SAMUEL BILLAUD

With his experience and love for tradition, Samuel had developed strong beliefs and convictions that couldn't fully be realised at a big producer like Billaud-Simon. This is why he launched his much-anticipated micro-négoce by himself in 2010, which allowed him to stand alone and perfect his style. This freedom gave him the opportunity to be liberated as the true artist that he is.

S A U T E R N E S

The most famous sweet wine appellation in France is difficult to emulate elsewhere. The conditions are the most consistent and made possible when the cool Ciron river forms a confluence with the warm Garonne river creating a mist. Once the sun burns off the mist, botrytis may be formed. The botrytis will concentrate fully ripe grapes, giving the wine maker the opportunity to create this naturally sweet white wine.
